

Be Part of the Next Stage Campaign!

Dear Friend of the Players,

As you drive up to the theatre, you first see the exciting expansion of the Players Theatre from the Art Deco facade. Inside, you will enter the new lobby, planned new washrooms, and the new bar we are working on!

We have received about \$150,000 as new capital towards this \$300,000 project through the generous donations and pledges from our audience members and past and present friends. Our goal is an additional \$150,000 to complete the interior space and landscaping and to clear construction debt.

You can help finish the renovation work and be recognized for your contribution:

You can help continue the renovation work and be recognized for your contribution

- By dedicating parts of the renovated facility in the name of your choosing (several opportunities, please ask)
- By making a cash donation and/or pledge to join as a “Development Partner” at levels of \$1,000 and above.
Your name or the name of your business will be recorded on a permanent plaque in the Lobby.
- By donating materials, fixtures, or furnishings that fit into the overall plan.
- By sending a donation that fits your budget that will be recognized in our show Playbills.

YES! Let me help The Players build a first class theatre in the Neck!
