In accordance of the bylaws, Directors shall be elected by the membership of the Westmoreland Players at the Annual Meeting on October 11, 2026. Membership criteria are satisfied by volunteering 15 hours in Westmoreland Players sponsored activities in the season leading up to the Annual Meeting or by being a Patron of the theatre.

The election will be held at the Annual Meeting. Nominations may be taken from the floor. Before balloting occurs, each nominee will be invited to deliver a two-minute address to the membership supporting his/her candidacy. Lack of theatrical experience is not disqualifying. There are many skills needed by The Players to maintain the high quality of its productions and its service to the community. It is suggested that candidates carefully consider their experiences in the workplace and with other organizations within the community that would benefit the Players.
